

REMARKS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 1, 2, 5, 12, and 15 are pending in this case, Claims 6-11, 13, and 14 having been cancelled without prejudice or disclaimer; and Claims 1 and 12 having been amended. Support for amended Claims 1 and 12 can be found, for example, in the original claims, drawings, and specification as originally filed. No new matter has been added.

In the outstanding Office Action, Claims 1, 2, 5, 12, and 15 were rejected under 35 U.S.C. § 112, second paragraph. However, Claims 1, 2, 5, 12, and 15 were indicated as allowable if amended to overcome the rejection 35 U.S.C. § 112, second paragraph.

Applicants acknowledge with appreciation the indication of allowable subject matter.

Applicants also acknowledge with appreciation the courtesy of Examiner Pipala for discussing the 35 U.S.C. § 112, second paragraph rejection with Applicants' representative on March 4, 2009, during which Applicants' representative suggested overcoming the 112 rejection by amending the second line of Claims 1 and 12 to recite "...to navigation, and video content...." Thus, clarifying that the phrase "plurality of sources" modifies the phrase "video content" and not the "navigation" content. The Examiner indicated that this amendment would be helpful in alleviating the indefiniteness issue.

Thus, in response to the rejection of Claims 1, 2, 5, 12, and 15 under 35 U.S.C. § 112, second paragraph, Applicants have amended Claims 1 and 12 as discussed above and during the discussion of March 4, 2009.

Consequently, in view of the present amendment, and in light of the above discussion, the pending claims as presented herewith are believed to be in condition for formal allowance, and an early and favorable action to that effect is respectfully requested.

Respectfully submitted,
